

Ministry of Environment
Research Programme on mangrove conservation and restoration

Expression of Interest for Research Proposals

The Biodiversity Secretariat of the Ministry of Environment invites Expression of Interest (EOI) from Universities, Research Institutes and Government Institutes on mangrove conservation and restoration (Time duration 8 months)

Interested parties are invited to submit the EOIs as per the given proposal format along with the CV of the Principal Investigator, including details of academic/professional qualifications, experiences in the relevant field and publications on or before **26th March 2021**.
